Presents

The Native-American Traveling Basket

This NEW program is a traveling pack basket filled with common items that the Natives of northwest Ohio would have used in the 18th century. The basket includes 26 items including moccasins and trade goods that would have been part of Native-American life.

This basket can be borrowed for up to one week and used in conjunction with your classroom lessons.

FEE: .50 cents per student. If your school is outside Bowling Green there is a \$15 donation to cover traveling expenses.

If you would like this program presented in your classroom please contact Education Programs Coordinator, **Michael McMaster**, at 419-352-0967 or at
