The Underground Railroad & The Passage through Northwest Ohio

The Underground Railroad is a relevant topic to local students with many connections to Northwest Ohio. This program is a 40-minute Power Point presentation filled with historic primary source images and first hand narratives of the local people and places that helped many slaves escape to freedom. This program will also help separate Underground Railroad fact from fiction, focusing on historically documented accounts of Underground Railroad activity.

There is a .50 cent per student fee for this program and \$15 donation to the museum.
